

## March of Washingtons Donation of Coartem® to Soft Power Health – Jinja, Uganda

### MARCH OF WASHINGTONS

“With the funds from the March of Washingtons we will be able to overcome a severe stock-out of Coartem® in the country and start once again to treat the many cases of malaria we see every day,” Dr. Jessie Stone, Founder of Soft Power Health.

Coartem® arrives at Entebbe airport and is loaded for transport to Soft Power Health

### Soft Power Health’s Allan Stone Community Health Clinic

Coartem® is administered to children at the clinic
